May 14, 2020

Dear Parents,

Greetings!

We would like to inform you that Philippine Emirates Private School Enrollment for AY 2020-2021 is now On Going.

In this point and time we would like to determine the number of old students who will stay with us for AY 2020-2021 before we consider new students applicants from other schools and also it is the mandate of ADEK to report as early as possible the number of students who will enroll for the incoming school years.

Remember: there are only limited slots for our students so the school will not be held responsible for your child's slot.

For registration and reservation, just log in to
www.philippineemiratesprivateschool.ae or call 026410918 or 025858041

Thank you once again for your usual support and cooperation and kind understanding extended to PEPS. We appreciate your unquestionable loyalty and benevolence.

God Bless Us All.

Yours Truly;

LALAINA C. RAGODON, MAED
School Principal
