August 1, 2020

Dear Parents,

Greetings!

Hope you are all well and safe.

The Federal Government of UAE had order that the Re- Opening of incoming School year is mandatory to all students to return to school, following the policies and guidelines issued by ADEK. The School Year 2020-2021 will start on August 30, 2020.

Philippine Emirates Private School plan to deliver instruction in accordance to the needs of our students and approved by the parents to ensure that each of our students continue to have access to higher-quality education.

As we study the different school re-opening models by Adek the school decided to choose both Distance Learning and Face to Face Learning. PEPS choose Half-Day Model where students on half days (morning) will have a face to face learning (FTF) while in the other half days (afternoon) will have the Distance Learning (DL).

At this point and time before the start of the School year we need to consider the Safe Operations, Teaching and Learning, Staff and Students Well Being and Community Support.

In line with this, we would like to inform you that before the school opening we need to comply with the following:

1. All staff and students must undergo COVID-19 test prior to being authorized to return to the school premises (Sponsor by the Government)
2. All staff, parents, and students with devices are required to download the AL HOSN apps to facilitate contact tracing in case of an incident.
3. All staff and students must declare recent travel history.
4. Updated medical records of students should be submitted to the school.

We thank you for your continuous support for the school's effort to better serve you. Rest assured that we are doing our best to ensure the safety and well-being of our children.

Thank you very much. God bless us all.

THE SCHOOL MANAGEMENT
