#### GUIDELINES IN SCHOOL RE- OPENING

1. All should undergo temperature screening when entering the school or taking the bus.
2. All staff should show valid negative COVID 19 test result , same thing with parents who enter the school premises to accompany their younger child for the few days only should show a valid negative COVID -19 test result (72hour validity)
3. Parents are advised to check the temperature of their children and screen for symptoms before leaving the house, if exhibit symptoms or feeling unwell, students are just required to stay at home. Likewise staff and teachers should check their own temperature and screen for symptoms before leaving the house.
4. Parents can visit the school only with an appointment and will need to observe all the health and safety measures.
5. Students and staff with the following conditions should not be allowed to be in the school premises: Diabetes Mellitus, Hypertension, Active Asthma, Cardiac Disease, Kidney Disease, Liver Disease, Auto Immune Disease, and any other chronic illness that should define as high risk individuals during this pandemic. Please ask advice from your medical doctor.
6. Students who choose to go to school with the age of 12 and above should undergo COVID-19 test.
7. Ensure that you and your child have installed the ALHOSN app.  
[ <https://www.ncema.gov.ae/alhosn/index.html> ] on your phone.
  - This is required for students who have their own mobile phones
  - If your child does not have a mobile phone, he/she will cover under your personal ALHOSN account.
8. All who enter the school should maintain social distancing with 1.5m away from other.
9. If in a face to face learning, your child need to wear a mask if they are older than 6 years (KG1 and KG2 students do not have to wear a mask. Students from Grade 1 and above must wear a mask as directed.  
If your child is unable to wear a mask, they may be allowed to wear a face shield if supported by medical certificate.  
Students of Determination with hearing impairments may use transparent masks.

Note: Gloves are not recommended as they are less effective than hand washing in controlling the spread of COVID-19. However, they may be worn.

10. Parents will not be allowed on the school premises, unless they are supporting a student of Determination.

11. You will be allowed to remain in the designated waiting area to pick up your child for a maximum of 10 minutes. During this period, you will be required to maintain a 1.5m distance from other people.
12. If your child becomes sick at school, they will immediately be moved to the Quarantine Room, where they will be monitored by a school nurse. You will be contacted immediately to retrieve your child from the school. The school shall not administer any medicines to your child. The school will inform you about the nearest hospital and COVID -19 testing center.  
If your child test positive for Covid-19, you are mandated to inform the school so that they can take measures to secure the health of other students and staff that may have been exposed to the virus.  
Information about your child will not be shared with anyone other than the relevant government authorities.
13. Schools will stay in close contact with you after reopening. This may mean weekly newsletters, text- message updates or emails
14. Schools are mandated to inform you in case your child may have been exposed to a patient of COVID-19 while at school.
15. Before the school year begin, updated contact information, updated medical records, special arrangements of your child as required.

THANK YOU VERY MUCH FOR YOUR SUPPORT AND COOPERATION.

August 19, 2020

Dear Parents,

Greetings!

Hope you are all well and safe.

In line with the Re-opening of the school year, Abu Dhabi Education and Knowledge had order that on August 30 only KG1 to Grade 5 students who choose Face to Face Learning and Blended Learning will return to school for first for 4 weeks. The rest will have their lesson thru Distance Learning until further notice had been given by ADEK.

So for the Grade 6 to Grade 12 who choose Blended and Face to Face learning for the opening of the school year for 4 weeks you will have to attend first Distance Learning, and wait for further announcement.

At this point and time before the start of the School year we need to consider the Safe Operations, Teaching and Learning, Staff and Students Well Being and Community Support.

In line with this, we would like to inform you that before the school opening we need to comply with the following:

1. All students aged 12 and above who choose Blended and Face to Face Learning must undergo COVID-19 test prior to being authorized to return to the school premises (Sponsor by the Government) just wait for further instruction.
2. All staff, parents, and students with devices are required to download the AL HOSN apps to facilitate contact tracing in case of an incident.
3. All staff and students must declare recent travel history.
4. Updated **Medical records** of students should be submitted to the school.

We thank you for your continuous support for the school's effort to better serve you. Rest assured that we are doing our best to ensure the safety and well-being of our children.

Thank you very much. God bless us all.
