Dear Parents,

It has been announced by the Abu Dhabi Emergency Crisis and Disasters Committee for COVID-19 Pandemic that all cycles will be back in school physically next term, starting January 3, 2021.

As what as been ordered, we need to follow the same policies, procedures and guidelines as the current term as outlined in the Private School Reopening including the flexibility for parents to choose their learning mode for their child during the first two weeks.

In this connection, we are sending to you the acknowledgement and undertaking for the said term to fill it up and send it back before Winter Break so that we can be able to set our plan before January 3, 2021.

But if your child is suffering from any chronic illness like Diabetes Mellitus, Hypertension, Chronic Respiratory disease such as Asthma, Cardiac Disease, Kidney Disease, Autoimmune Disease, Hematological Disorder or any other Chronic Disease, He/ She need to stay at home and have Distance Learning as his/her mode of learning.

Same thing with the students with People of Determination they need to stay at home and have Distance Learning as his/her mode of learning.

Thank you once again for your support, cooperation and kind understanding you have extended to Philippine Emirates Private School. We do appreciate your loyalty and benevolence to the school.

Sincerely Yours,

LALAIN C. RAGODON, MAED
School Principal
