Dear Parents,

GREETINGS!

Last month (November, 2020) we send to you an acknowledgement and undertaking letter for the Second Term that is the Re- Opening for January 3, 2021.

In this letter you were given a chance to choose what mode of learning will your child continue by the start of January 3, 2021. If you choose Distance Learning then your child will continue taking Distance Learning has his/her mode of learning, if you choose Blended Learning then your child will have three (3days) Face to Face and two (2) days Distance Learning.

But if your child is suffering from any chronic illness like Diabetes Mellitus, Hypertension, Chronic Respiratory disease such as Asthma, Cardiac Disease, Kidney Disease, Autoimmune Disease, Hematological Disorder or any other Chronic Disease, He/ She need to stay at home and have Distance Learning as his/her mode of learning.

Same thing with the students with People of Determination they need to stay at home and have Distance Learning as his/her mode of learning.

So, this memo or letter that you signed is strictly followed by the school provided if ADEK or the UAE government will give us another instruction for the coming days, then we will let you know, but at present we will adhere and follow what has been instructed to us.

Thank you once again for your support, cooperation and kind understanding you have extended to Philippine Emirates Private School. We do appreciate your loyalty and benevolence to the school.

MERRY CHRISTMAS AND PROSPEROUS NEW YEAR TO EVERY ONE.
