December 30, 2020

Dear Parents,

GREETINGS!

The health situation is constantly being updated and we need to be agile as we adopt to the circumstances.

Relevant to this, the government authorities with Adek has decided that the first two (2) weeks of the upcoming term will need to be Distance Learning mode. Students who have chosen Face to Face (Blended) option will resume physical classes on January 17, 2021.

Therefore, parents who choose face to face mode of learning are no longer required to change their mode of learning.

Following the announcement of Distance Learning for the first two (2) weeks of the upcoming term, kindly be informed that all students returning to Face-to-Face learning on January 17, 2021 will have to retake the COVID-19 test to attend the school.

A testing schedule will be posted in our website as soon as the schedule is given by ADEK.

It is our responsibility to keep our school and our communities safe. We would like to remind you that its our duty to ensure that all the health authorities' requirements for quarantine are adhere to, this applies to any teacher, staff or students that has been overseas.

Any updates to this policy will let you know, but at present we will follow what has been instructed to us.

I also want to remind each and every one for the incoming Second Periodical Examination of our students on January 12, 13 and 14, 2021. Please secure permit as early as possible.

Thank you once again for your support, cooperation and kind understanding you have extended to Philippine Emirates Private School. We do appreciate your loyalty and benevolence to the school.

ALWAYS KEEP SAFE AND GOD BLESS.  
HAPPY NEW YEAR TO EVERYONE.

Sincerely Yours,

LALAINA C. RAGODON, MAED  
School Principal
