January 14, 2021

Dear Parents,

GREETINGS!

The health situation is constantly being updated and we need to be agile as we adopt to the circumstances.

Relevant to this, for the safety of our children and for precautionary measure we decided that we will continue the Distance Learning mode for our students up to the time that the condition is already stable.

We will take Distance Learning until such time that most of the school community had already receive COVID-19 Vaccination or till the health situation is stable.

It is our responsibility to keep our school and our communities safe. We would like to remind you that its our duty to ensure that all the health authorities' requirements for quarantine are adhere to, this applies to any teacher, staff or students that has been overseas.

Any updates to this policy we will let you know, but at present we should be aware and updated with the announcement of the government regarding the health issue in the region

Thank you once again for your support, cooperation and kind understanding you have extended to Philippine Emirates Private School. We do appreciate your loyalty and benevolence to the school.

ALWAYS KEEP SAFE AND GOD BLESS.

Sincerely Yours,

LALAIN C. RAGODON, MAED
School Principal
