Dear Parents,

Greetings!

The school has started to plan for the incoming school year 2021-2022. In this connection, we would like to determine the number of old students whom will be staying with us for the next Academic Year.

We would like also to inform everyone that we are now **accepting reservation** for the **NEW students**.

PEPS reservation for the **OLD students** and **NEW students** for the incoming Academic year 2021-2022 is very important, for it is the basis for the Development Plan of the school and for the preparation for the incoming school year.

Since it will be First Come, First Served Basis, the school will not take responsibility for your child's failure to earn a slot. There will be limited slots, for PEPS cannot allow an overcrowding classroom.

Register now as early as possible.

For registration and reservation just log in to www.philippineemiratesprivateschool.ae or **call 026410918 or 025858041**.

Thank you once again for your usual support and cooperation and kind understanding extended to PEPS. We appreciate your unquestionable loyalty and benevolence.

God Bless us all.

Yours Truly,

LALAINA C. RAGODON, MAED
School Principal
