Dear Parents,

Greetings!

The Philippine Emirates Private School ensure our stakeholders the excellent educational deliveries and support to your children's learning exploration in various academic fields even amidst Covid 19, which had brought us to a challenging experience either modalities of blended and now full distance learning in securing the safety and health concerns of students, parents, teachers and staff. All these measures are made possible due to your continued support and faith in our school.

In connection to this, we sincerely appeal to you, dear parents the settlement of the tuition fee of your child/children for the month of March 2021 including unpaid tuitions for February 2021 and if you have extra you can already pay for the month of April.

We appeal to you for these payments to sustain our school operational expenses including the salary of teachers and staff, most specially that we are nearing the observance of the Spring Break on March 28 to April 15.

Kindly disregard this letter if payment has been made.

We would like to remind also that enrollment for the School Year 2021-2022 is now on going, please make a reservation for your child as early as possible.

Thank you once again for your support, cooperation and kind understanding you have extended to Philippine Emirates Private School. We do appreciate your loyalty and benevolence to the school.

Thank you and God Bless Us All.

Yours Truly;

LALAINA C. RAGODON, MAED
School Principal
